BUBBLE

Warning

- Only use the device outdoors.
- Stay alert!
- Danger or dangerous behaviour can result in serious or even fatal injuries.
- Do not move or transport the unit while it is in operation.
- During use, place the unit on a horizontal, flat, non-flammable floor.
- The unit becomes very hot during use. Keep children away!
- Technical modifications are prohibited and may be dangerous.
- Do not use flammable liquids or any other type of ignition products to light or re-light the unit.
- Look out! Danger of asphyxiation!
- Never leave the device unattended until all components have cooled down completely.
- Never use water to extinguish the fire.
- Use only hardwood as fuel. The wood used must be dry.
- A safety distance of 2 metres from combustible materials must be maintained during use.

Maintaining

Paint touch-ups will probably be required during the product's life.
Touch-ups should only be done with the Focus outdoor paint spray supplied with the unit.

Warranty

From the date of delivery of the product, the purchaser benefits from a 2 year legal contractual guarantee against any design, structural or manufacturing defect. Moreover, the warranty cannot be activated for any indirect damage or accidental causes. Surface treatments are expressly excluded from all guarantees.
