

ELECTRIC FIREPLACES

ULTRA REALISTIC FLAMES

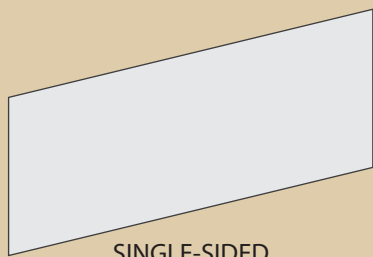

E-RIDIUM

 **EuropeanHome**
North American Distributor
EuropeanHome.com
(781) 324-8383

What sets holographic electric fireplaces apart is their lifelike flame effects that look real whether viewed up close or from afar. Using advanced projection and 3D imaging technology, these fires create depth and movement that mimics real flames almost perfectly.

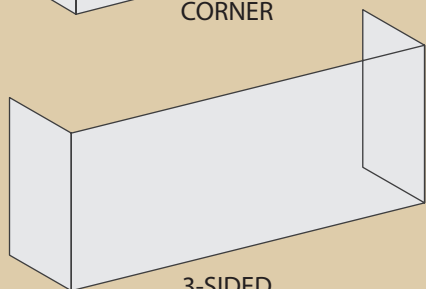

Available in three configurations.

SINGLE-SIDED

CORNER

3-SIDED

Viewable Openings:

E-RIDIUM 1500: 60" Long x
15 1/4" High x 14 1/2" Deep

E-RIDIUM 1800: 72" Long x
15 1/4" High x 14 1/2" Deep
